SENT TO: AmEmbassy, MOSCOW

Origin: EYES ONLY AMBASSADOR NOFORN

Info:

For your personal information [redacted] Department has learned of a conversation you may have had some weeks ago with Kroll during [redacted] course of which you may have made some remarks along [redacted] lines [redacted] your 1649. These apparently were relayed to Bonn, where it is understood they may have aroused some uneasiness. [redacted] Department, of course, has in mind Kroll's apparent tendency to exaggerate or overemphasize on occasion. However, it would appreciate [redacted] benefit [redacted] your comment.

Suggestions in your Reftel, of course, are under consideration by [redacted] Working Group in [redacted] Department. As preliminary comment, it should be stated that these suggestions do run counter in several important respects to our current thinking here.
